2011 Ensemble Festival

Date _____

The Raleigh Piano Teachers Association holds the Piano Ensemble Festival every other year. The purpose of the festival is to give piano students an opportunity to perform in a duet, duo, or trio group, which creates an orchestral-like sound. Students who participate also increase their own skills with counting, note reading, expressive playing, and technical skills. Students are allowed to use music for the performance. Parents and friends are invited for the Sunday performance.

Your child _____ has been chosen to have the honor of participating in one of the selections in **RPTA's 35th Piano Ensemble Festival**, on Sunday, January 30, 2011.

With this privilege there is responsibility. Each student who accepts this honor of performing in the Ensemble Festival must commit to the following:

- the rehearsal(s) set up by your child's teacher prior to January 30, 2011
- a 1½ hour **required dress rehearsal** on Saturday, January 29, 2011, in Carswell Concert Hall at Meredith College
- the 1½ hour performance on Sunday, January 29, 2011, in Carswell Concert Hall at Meredith College

All students are required to attend the entire rehearsal and performance. A complete dress rehearsal and performance schedule will be available by December 8, 2010. There **cannot be any exceptions** to the required rehearsal and performance, so please do not ask for any.

To acknowledge your acceptance of this honor for your child and the commitment that it requires, please sign below and return to your child's next lesson.

Musically yours,

Teacher _____
